Job Purpose

LGV driver primarily involved with Fuel Oil and LPG operations – predominantly delivering fuel products from BATA's own storage facility or directly from the refinery to Agricultural, commercial and domestic customers. The role requires you to be available to drive any type of vehicle which you are trained and qualified as required by BATA.

Job Tasks

- Taking and following instructions from Fuel Depot Transport Operations staff
- Flexibility to accommodate fast changing workload with varied start and finish times.
- Safe loading of Fuel Oil & LPG products.
- Security of vehicle and load.
- Ensuring hazard warning placards display the correct information in accordance with ADR and company policy.
- Carrying out a Drivers Daily Walk Round Check, recording and reporting of defects.
- Liaising with LGV garage staff.
- Safe driving of an LGV in accordance with the Highway Code.
- Operating the vehicle Tachograph to record hours worked and comply with EU hour's laws and Working Time Directive.
- Ensuring correct operation of tanker discharge equipment to ensure safe delivery of Fuel products from vehicle to customer's tank storage.
- Dealing with customers ensuring excellent customer service at all times.
- Accurate completion of all necessary load / delivery paperwork.
- Adhering to safe working practices and Health and Safety instructions.
- Keeping vehicle clean (inside and out).

In addition to the above, the post holder will be expected to carry out any reasonable task which falls within the scope and purpose of the post, or which the Company deems is within their capabilities.

If you think you have the skills and experience we are looking for, we would love to hear from you!

Due to the high number of applications if you have not heard from us within 14 days from submitting your application, please assume you have not been successful on this occasion.
