

### JOB ROLE PROFILE

---

Business title:	BATA
Job Title:	<b>HGV Mechanic</b>
Work Location:	Amotherby, Malton, YO17 6TA
Hours of work:	40 hours per week, 5 days over 7 days, plus overtime
Job type:	Full Time, Permanent

### About Us

BATA was established as a farmers' cooperative in 1894 at Brandsby, North Yorkshire, 10 miles north of York. Today we're still an agricultural supply cooperative with 4,000 share members. We offer a wide range of products, including bulk and bagged animal feeds, pet foods, heating oil, LPG, timber, fencing, horse rugs, seeds or fertiliser, to name just a few.

### Job Purpose

To work alongside other qualified mechanics to carry out regular servicing, maintenance and repairs on a mixed fleet of commercial vehicles, and their equipment, ranging from vans to 44 tonne articulated vehicles in accordance with the principles outlined in the DVSA publication "Guide to Maintaining Road worthiness" and VOSA standards.

### Job Tasks

- Carry out all maintenance tasks to ensure compliance with Operator "O" licence requirements.
- Service and repairs of vehicles to a high standard.
- Prepare vehicles for annual MOT inspection and ADR testing.
- Diagnose faults and make necessary repairs in a timely manner to ensure maximum vehicle availability using computerised diagnostic equipment.
- Repair driver reported Defects and record as actioned.
- Attend vehicle breakdowns as required.
- Be prepared to travel away from home if required (call outs).
- Complete all vehicle service and repair records on the Company digital system.
- Carry out 6 weekly safety inspections to VOSA standard - liaising with department Transport Planners to ensure maximum vehicle availability.
- General workshop duties, including maintaining good garage housekeeping standards.
- Work within the Health and Safety Policy.

In addition to the above, the post holder will be expected to carry out any reasonable task which falls within the scope and purpose of the post.

### Experience

- Fully Qualified HGV mechanic (NVQ level 3 or equivalent)
- Must have a good depth and breadth of knowledge of diesel, hydraulic and electrics
- Experienced in HGV workshop environment
- Full UK driving licence (HGV desirable)
- ADR trained (desirable)
- Light fabrication and welding experience (desirable)

## **Key Skills**

- Good attention to detail
- Self-assured but not afraid to ask
- Strong organisational skills
- Good case and time management
- Ability to “think on feet”
- Excellent problem-solving skills
- Self-motivated
- Able to work under pressure
- Good communication skills both verbal and written
- Able to form good working relationships with other employees
- Willing to work variable hours and be flexible to the needs of the business and department

In addition to the above, the post holder will be expected to carry out any reasonable task which falls within the scope and purpose of the post, or which the Company deems is within their capabilities.

**If you think you have the skills and experience we are looking for, we would love to hear from you!**

Due to the high number of applications if you have not heard from us within 14 days from submitting your application, please assume you have not been successful on this occasion.
